### The Ghostwriter Who Puts You on Page One

Need first-page Google results—fast? I'm a ghostwriter and digital strategist who dominates 18 money-making categories in short, focused 6-week campaigns.

No full-time hire. No overhead. Just clear wins.

I've worked with power brands like **Coca-Cola, Capitol Records, and WWE**, combining old-school advertising smarts with AI-driven strategy to build unstoppable visibility.

SEO, PR, copy, design, video—I handle it all, remotely and efficiently. You get page-one exposure and brand expansion without the noise.
